- The Wine Club Release is scheduled three times a year; February, June and October. All scheduled pickup/shipping dates and pickup parties will be posted on our website and monthly newsletter.
- Each release is a mixed variety selected by our wine makers. You will receive notification at least 2 weeks prior. If you are not satisfied with our release, call us by the first scheduled pick-up day, tell us which bottles you prefer and we will gladly make changes for you. The price will be adjusted accordingly.
- This membership can be purchased for you or as a gift and can be canceled at any time after the first pickup/shipment.
- Your signature certifies that the buyer and/or recipient are 21 years of age or older.
- Prices do not include tax and shipping charges. To avoid billing hassles, we will charge your credit card at time of shipping or first scheduled pick up date. Shipping charges for WA and OR are flat rates; club level one: \$10, club level two: \$20, club level three: \$30. All other states will be charged accordingly.
- If you choose to pick up your wine at one of our locations, you will not be charged for shipping; however, if you do not pick up your wine by the last scheduled day, your wine will automatically be shipped to the address provided and your credit card will automatically be charged for shipping.
- Federal law requires that shipments of alcohol must be signed for by an adult upon delivery. If no signer is available at home, please ship to a business address.
